Madras Tubular Rivets

<https://www.indiamart.com/madrastubular/>

Madras Tubular Rivets is one of the leading and established **ISO 9001:2008** certified company engaged in manufacturing stainless steel rivets, precision industrial fasteners made of steel, copper, brass and aluminum.

About Us

We **Madras Tubular Rivets** were incepted in the year **1981** and since then we are running our business successfully with pride and esteem. We manufacture several kinds of stainless steel screw, industrial brass rivets, steel rivet, copper rivet, aluminum rivet, small rivet, large rivet, clutch rivet, semi-tubular rivet, brass screw, copper screw and aluminum screw which are made of copper, aluminum, steel and brass. With free Sampling policy, our products are exported to international market and supplied to local market as well for industries such as Automobile, Baggage and Fashion.

We follow strict quality measures and all the products are tested well before dispatching for delivery. Our quality management policy enables us to achieve ISO and Onicra certification as well as National Small Industries Corporation accreditation. We have a team of experts who work with a set of adroit engineers under the inspection by our CEO **Mr. S. Muthu Kumar**. His excellent skills and industrial experience make us sure to cater our range throughout the domestic as well as foreign market including Kenya, Tunisia, Australia and Lebanon.
